

Privacy Policy

S&S Hospitality Limited (“S&S Hospitality”) recognizes the importance of your privacy. This privacy statement (“this Privacy Statement”) explains how personal data is collected and used on [www. sandshospitality.com](http://www.sandshospitality.com) (“this Website”). Please read this Privacy Statement carefully. Your use of this Website means that you have accepted this Privacy Statement. If you are unwilling to be bound by the following terms, please do not use this Website. S&S Hospitality reserves the right to change or modify the contents of this Website at any time and has the right to unilaterally change this Privacy Statement without notification. You should regularly visit this Website to find out whether this Privacy Statement has been modified, as your continued use of this Website indicates your acceptance of any change to this Privacy Statement. However, if the modification concerns how S&S Hospitality will collect and use your information (including your personal data) (“Data”), we will ask for your consent prior to any modified use. “You”, “your”, “users” and “members” refer to any person and/or entity that access this Website for any reason.

1. Collection of Data and its purposes

When you use this Website and/or register as a member of this Website, you may have to provide to S&S Hospitality your Data including but not limited to your name, gender, age range, contact details and email address. You agree to provide to S&S Hospitality such information voluntarily. You agree and understand that any and all of the Data you provided to S&S Hospitality will be collected and used as follows: (a) for verification of identity and record; (b) for analysis and for comparison with others’ Data in order to develop S&S Hospitality products or services and market promotion programmes; (c) to provide information to you on S&S Hospitality and various products and services of this Websites; (d) to store communication contacting details; (e) to generate survey on user traffic on this Website; (f) for processing of your orders; (g) for collecting payment, processing of any payment instructions and direct debit fees; (h) for internal monitoring, including calculating any amount you should receive or owe, make payment to or request payment from you, and collecting any fees or enforcing guarantee granted to or granted by the users; (i) daily operation of your account; and (j) to implement your instruction, respond to your enquiries or those made in your name, and to provide efficient and responsive service.

2. Personal Data (Privacy) Ordinance

S&S Hospitality complies with Hong Kong laws including Personal Data (Privacy) Ordinance in its policy and the ways it collects, uses, stores, discloses, transfers, protects and accesses Data.

3. Retention, storage and disclosure of Data

You acknowledge, agree and authorize us to retain and store the Data you provided in one or more databases of S&S Hospitality, and to provide, disclose, access and transfer to such Data: (a) anyone of or any legal entity or department and/or associated company S&S Hospitality; (b) anyone who or any legal entity which has confidentiality obligations towards S&S Hospitality; (c) S&S Hospitality employees; (d) any contractor, agent or others or legal entity, or any third party which provides administrative, telecommunication, computer, payment, insurance, professional or other services to S&S Hospitality and is engaged by S&S Hospitality for the above purposes on collection of Data or relevant to the above purposes on collection of Data; (e) anyone that S&S Hospitality has to make disclosure to in accordance with the requirements of applicable laws, administrative policies or regulations; (f) anyone who reasonably requires S&S Hospitality to make the same disclosure in order that S&S Hospitality can implement the purposes listed in this Privacy Statement. You agree that S&S Hospitality can disclose your Data in the following reasonable and necessary circumstances: (g) in compliance of relevant laws; (h) to execute or implement any terms of S&S Hospitality users agreement; (i) to protect S&S Hospitality and its users’ rights, property or interests; or (j) in compliance with this Privacy Statement.

4. Security of Data

S&S Hospitality will use various security technologies and procedures to protect your Data from unauthorized access, use or disclosure. Because of the nature of Internet, S&S Hospitality cannot guarantee the security on any transfer of Data. However, S&S Hospitality will take all practical and feasible measures to ensure any Data collected by this Website will not be intercepted by any third party. You must be clear that S&S Hospitality advertisers or any website with links to this Website may collect your Data. You must read the relevant privacy statement carefully before you provide your Data to them. Your provision of your Data to any third party has nothing to do with S&S Hospitality and S&S Hospitality will not have any responsibility on such. If S&S Hospitality receives relevant Data from a third party, it will retain the information in the usual strict secured and confidential standards.

5. Amendment to Data

You are aware that according to Personal Data (Privacy) Ordinance, you have the right to access your personal data held by S&S Hospitality and request amendment to your personal data. If you need to access your personal data held by S&S Hospitality, please email to info@sandshospitality.com.

6. Cookies

S&S Hospitality may use cookies on this Website. Cookies is a small text file that is placed on your hard disk by a Web page server. Cookies is not designed to use for or intended to use for accessing any information (except for the information on the cookies) of the user's computer. On the contrary, it is an identifier placed on your hard disk. Cookies contain information that can later be searched by the same Web page server to identify a particular computer and cater for the use of the user and allow monitor and management of such use according to the information stored by that server. Therefore, cookies only provide to the website the information on the user's computer and the website can link up such information of the cookies with other information such as personal identifier information. The purpose for this Website to use cookies is to allow automation on signing in and registration of information so that you are linked to the information for online purchase when you make purchase (if any) on this Website, to adjust this Website to your preferences or to personalize promotion or marketing. In addition, use of cookies allows S&S Hospitality to track the use of this Website to determine what content is useful or popular so that S&S Hospitality can effectively develop and improve this Website. You can modify your web browser on the use of cookies so that it will send you warning or you can decline acceptance of cookies. Please note this Website may not function normally or permit your signing in if you choose to decline acceptance of cookies.

7. Use of Web Beacons

S&S Hospitality may use Web beacons on this Website or other websites and allow third party to place Web beacons on this Website to monitor the effectiveness of promotion or other legal purposes. Web beacons are also called web crawler. It is an object that is embedded in a web page or email which allows checking by website owner or a third party on whether a user has viewed the page or email. It is usually invisible to the user as its size is generally very small (1×1 gif) and has the same colour as the web page, document or email. Web beacons are identified as HTML IMG on web pages. Users can click on the information option on the web page to find out whether Web beacons are used on the web page. Web beacons can link to personal information. For example, advertising network uses web beacons to add on personal information the web pages a person visited and based on such information to add a particular kind of advertising bars. Web beacons can also be used to independently track the number of people visiting the web site.

8. Children

This Website is intended for general audiences and does not plan or intend to collect Data from underage below 18. To respect the privacy of underage, underage below 18 should not provide any Data on this Website. S&S Hospitality asks that parents monitor their children when they surf on the web.
